Hello Wayne,

Here is the Account Code for Progenitor Technologies. We can use this code to make purchase orders and payments.

90000-9004-8999-99

With all of the work that is going into the research, it is completely understandable how you can forget. **Stop by our office at any time if you want to confirm the account.** Please let me know if you need anything.

Best,

Timothy Swanson
