

NOTE: Each Series represents a different cat species. We tested 50 cats of each species, these are the averages for each species.

Series 1 = Siamese Cat

Series 2 = Persian Cat

Series 3 = Sphynx Cat

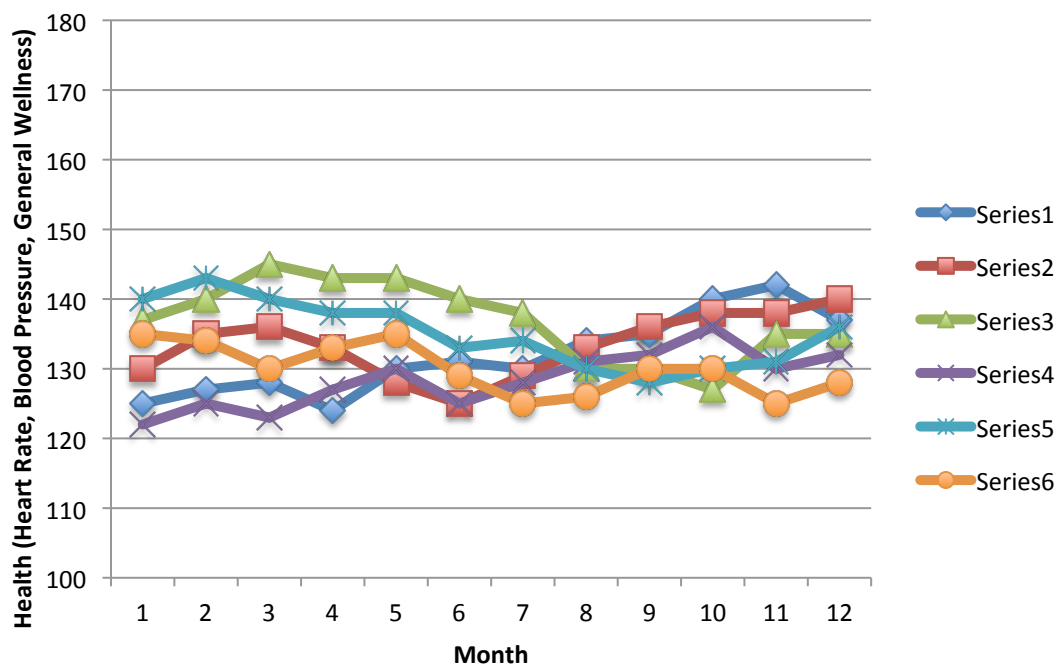

Series 4 = American Shorthair

Series 5 = Tabby Cat

Series 6 = Scottish Fold Cat

We measured general health based on heart rate, blood pressure, stool composition, diet, and illnesses (lack thereof).
