Re: FBI Memo

Dear Ellery,

Thank you for getting back to me on the FBI memo. I have read it thoroughly and will make all the changes.

Once again, I apologize for the delay in getting you my most recent reports. For the sake of time, I will condense all future reports into just three a week. This will allow for more flexibility to focus on the project and will keep you updated on only the most current of Project 220 activities. I may be a little absent over the next few days while I work on the proposal for the new infiltration plan, as we discussed over the phone.

Wishing the best to you and your family,
