Re: Project 220

Dear Griffin,

I know you don't want me to take this job, and I'm sorry, but it's a really good opportunity for me to raise my profile and boost my career. I get to manage my own team, have creative control, do something new...and I wish you would just trust me on this.

I'm sorry if I made it seem like I was insensitive to the students. I get it, I really do, but this is a good opportunity for them as well. I would've killed for something like this at their age.

Please don't come over. I need to pack.

Best,
